Privacy Policy (Easy Read) & Consent From Stories of Hands Art Psychotherapy Practice Practitioner: Marcela Zamborska, MA, PgCert

Introduction

I am committed to keeping your personal information safe and private. This document explains how I collect, store, and use personal data in compliance with:

- General Data Protection Regulation (GDPR)
- UK Data Protection Act 2018
- British Association of Art Therapists (BAAT) Guidelines on Informed Consent
- Health and Care Professions Council (HCPC) Standards

It also explains confidentiality, informed consent, and how parents/guardians are involved when working with children and young people.

1. What Information I Collect

I collect information to provide safe and effective therapy. This may include:

For Parents/Carers:

- Your name and contact details
- Emergency contact information
- Parental responsibility status (especially for separated parents or Looked After Children)

For Children & Young People (CYP):

- Name, date of birth, and basic medical history
- Therapy session notes and emotional well-being information
- GP and school details (if relevant)
- Signed consent forms from parents/guardians or the child (if competent)
- Information from other professionals involved in the child's care (e.g., schools, social workers, GPs), only with consent

2. Why I Collect This Information

I use this information to:

- ✓ Provide safe and effective art therapy
- ✓ Communicate about therapy sessions
- ✓ Keep confidential therapy records
- ✓ Follow legal and safeguarding rules
- ✓ Process payments securely
- S I do NOT use personal data for marketing.

3. How I Collect & Store Data

How Data is Collected

- Forms, emails, phone calls, and therapy sessions
- ★ Other professionals (e.g., GP, school, social workers) only with consent

How Data is Stored

- **G** Secure electronic records (encrypted & password-protected)
- 📂 No paper records kept
- Emails encrypted and protected
- Therapy notes kept minimal and stored securely

4. Confidentiality & When Information is Shared

Everything shared in therapy is private unless:

• A child or young person is at risk of harm — I must report this for safety reasons.

🖕 **Court orders** require me to share information.

Professional supervision — I may discuss anonymized cases with a supervisor to ensure best practice.

 \checkmark With your permission — I may share relevant information with GPs, schools, or social workers.

5. Informed Consent for Children & Young People

Children & Young People deserve privacy in therapy.

Under 16s: Parents/guardians must give consent, but children who understand therapy (Gillick Competent) may also give consent.

Over 16s: Can consent themselves unless legally decided otherwise.

<u>A</u> Looked After Children: Consent must come from the child's social worker.

Parental Involvement

 \bigcirc Parents get general progress updates but not session details (unless there is a safety concern).

Solution parent-child sessions can be arranged when helpful.

6. Client Artwork

Artwork created in therapy is private.

- ✓ Stored securely and not shared without consent
- ✓ Digital copies (if taken) are encrypted
- ✓ Artwork is returned at the end of therapy or securely destroyed

6.1 Anonymized Artwork for Teaching & Research

Occasionally, **artwork without names** may be used for teaching, presentations, or research. It will NEVER be linked to a client.

7. How Long Data is Kept

- **Therapy records (Adults)**: Kept for **8 years** after therapy ends.
- **Children**: Kept until they turn **26 years old**.
- C Enquiries (no therapy started): Deleted after 3 months.
- **Securely destroyed** after the retention period.

8. Complaints & Concerns

Contact me directly: marcela@soh-artpsychotherapy.co.uk

If unresolved, you can contact:

- Health & Care Professions Council (HCPC)
 0303 123 1113 |
 hcpc-uk.org
- Information Commissioner's Office (ICO) (for data concerns)
 0303 123 1113 |
 ico.org.uk

9. What Happens in a Data Breach?

If data is accidentally lost or accessed:

- I will assess the risk immediately.
- Affected clients will be informed.
- Serious breaches will be reported to the **ICO within 72 hours**.

10. Website & Cookies

If my website uses cookies, I will provide a **Cookie Policy** explaining how they work.

11. Policy Updates

This policy may be updated. The most recent version will always be available upon request.
